Re: Arbitration Between Covad Communications Company and Qwest Corporation: Docket No. T-03632A-04-0425

T-01051B-04-0425

Dear Judge Nodes:

This letter relates to our exchange of emails on November 30, 2004, in which it was agreed that the oral argument relating to Qwest's motion to dismiss portions of Covad's arbitration petition would be rescheduled from December 15, 2004. In our exchange, you directed the parties to provide you with a proposed date for a status conference at which a new date would be set for the argument. The parties have conferred and, subject to your schedule, propose that the status conference be scheduled for either the afternoon of January 6, 2005 or on January 14, 2005.

Thank you for accommodating this change in the procedural schedule.

Very truly yours,

John M. Devaney
